

16 March 2026

Dear Parents/Carers,

As you will be aware, Class Teachers review your child's progress at different intervals throughout the year. Included in this, are your child's attitude to learning grades. These attitude to learning grades are linked to our school values; Respect, Responsibility and Resilience and students who consistently demonstrate these values in lessons are recognised with an attitude to learning grade.

Students who achieve an average attitude to learning grade of 1-1.5 should be extremely proud to be one of the top students in the year group and are currently invited to meet with the Head Teacher and receive a certificate.

However, with immediate effect, and to recognise even further the students' commitment to learning, any student now with an average attitude to learning grade of 1-1.5 will not only meet with the Head Teacher but they will receive a 'Golden Ticket'. This Golden Ticket will give students permission to wear non-uniform on a specific date.

Year 11 will be the first-year group to get their Golden Tickets this week and those with a ticket will be able to wear non-uniform on Friday 20th March 2026. Normal non-uniform rules apply for example no crocs/backless shoes and no crop tops.

We are very excited to be recognising students' hard work in a different way.

Yours sincerely,

Miss N Iverson
Deputy Head Teacher
