Re: Supporting Homework at Home

Dear Parent/Carer,

We are pleased with the continued effort many of our students are showing towards their homework, and we would like to take this opportunity to remind you of our homework routines and how you can best support your child at home.

All homework is set via ClassCharts. This allows both you and your child to easily keep track of what has been set and monitor progress. When viewing homework on ClassCharts, you will see the following sections:

- **Submitted** : homework that has been confirmed as completed by the teacher
- **Not submitted** : homework identified by the teacher as not completed

Please note that the system may not always update immediately. However, if you notice homework appearing in the *Not submitted* section, we recommend following this up with your child.

Students are given one week to complete each homework task, even if they do not have a lesson on the day it is set or due.
