SAINTS FOUNDATION

Dear, Parent/Carer,

Your daughter has been selected by her Saints Foundation worker to continue her development and take part in our Leadership Workshop Programme.

The workshops provide a fun and engaging mix of interactive activities, combining physical challenges with hands-on classroom sessions. Throughout the programme, your young person will build confidence, develop valuable leadership skills, make new friends, and discover how she can make a positive difference in her community. As part of the experience, she will also work towards achieving a recognised Leadership qualification.

To register your interest, please scan the QR code below and complete the sign-up form. On the form, you will be able to select your preferred workshop dates. While we will do our best to accommodate your preferences, places are allocated based on availability.

Once we have received your form, I will be in touch via email or telephone to confirm your daughter's workshop date and attendance details.

Please see below our provisional dates for 2026–2027:
