

Year 11 Mock Exam - November 2026

Subject	Maths
Title of exam	Foundation Paper 1 (Calculator)
Length of exam	1 hour 30 mins
Total number of marks	100
Exam board	OCR
Link to example past papers	https://corbettmaths.com/2023/02/15/ocr-gcse-foundation-revision/

Topic	Key information and weblinks
Equivalence between fraction	There are lots of places where you can find useful revision materials. As a suggestion, try Corbettmaths for clear explanations, videos and practice questions.
Pie Charts	
BIDMAS	
Faces, Edges and Vertices	
Probability on a number line	
Recipes	MathsWatch is also a really valuable resource where you can search for any topic, watch helpful videos, answer questions and complete exam papers to support your revision.
Ratio	
Fractions, Decimals and Percentages	
Proportion	
Coordinates	
Solving Equations	PINPOINT will also identify areas of weakness and provide you with questions to work on, helping you focus your revision where it is needed most. Please make sure that you know your password so that you can access the resource.
Indies	
Trigonometry	
Surface area	
Constructions	
LCM	
Substitution	
Plan and Elevations	
Drawing Graphs	
Venn Diagrams	
Reverse Percentages	

Year 11 Mock Exam - November 2026

Subject	Maths
Title of exam	Higher Paper 1
Length of exam	1 hour 30 mins
Total number of marks	80
Exam board	Edexcel
Link to example past papers	https://corbettmaths.com/2019/04/01/gcse-practice-papers/

Topic	Key information and weblinks
Multiplying Decimals	There are lots of places where you can find useful revision materials. As a suggestion, try Corbettmaths for clear explanations, videos and practice questions. MathsWatch is also a really valuable resource where you can search for any topic, watch helpful videos, answer questions and complete exam papers to support your revision. PINPOINT will also identify areas of weakness and provide you with questions to work on, helping you focus your revision where it is needed most.
